2023 Sunshine EXPO

TERMS AND CONDITIONS

A. USE OF EXHIBITS AND EXHIBIT FACILITIES

1. CHARACTER OF EXHIBITS: The Florida Petroleum Marketers Association, Inc (FPMA or Association) hosts of Sunshine EXPO, reserves the right to decline or prohibit any exhibit, or part of an exhibit, which in the Association's opinion is not in keeping with the character and spirit of the Sunshine EXPO. The Sunshine EXPO is a family friendly event.

2. EXHIBIT HOURS: All exhibits are to be opened for display and properly manned during ALL OPEN tradeshow hours: (Times are subject to change) on July 25-26th. Early break down of exhibits is not allowed.

FPMA reserves the right to alter exhibit hours in any manner. Exhibitors will be allowed into the Exhibition Hall one hour before each scheduled opening. The Exhibition Hall will be secured immediately after each closing. Unusual situations requiring admission at other times must be approved by FPMA staff and Security.

3. EXHIBIT REPRESENTATIVES: Exhibitors' representatives shall be restricted to employees of exhibiting companies. Exhibitors and their representatives shall be obliged to wear official badge identification (as furnished by FPMA) at all times on duty including set-up. FPMA reserves the right to limit the number of representatives representing any exhibitor and reserves the right to cancel an exhibitor's contract or reclaim the badge of any representative violating these Terms and Conditions.

4. RESTRICTIONS: No exhibitor shall sublet, assign, or share any part of the space allocated to him without the prior approval or written consent of FPMA's executive director, Ned Bowman. Exhibitors shall not exhibit nor permit to be exhibited in their space any merchandise that is not a part of their own regular products unless granted permission from FPMA. Solicitations or demonstrations by exhibitors must be confined within the bounds of their own respective booth(s). Solicitations of business or conferences in the interest of business except by exhibiting firms is prohibited. Aisle space shall not be used for exhibit purposes, display signs or distribution of promotional materials. Operation of sound devices is allowed if the exhibitor complies with the restrictions to conversational levels and if not objectionable to neighboring exhibitors. Each Exhibitor is personally and individually responsible for obtaining appropriate and necessary music licenses for any music played at Exhibitor's booth. Objectionable lighting effects will not be permitted.

5. CONSTRUCTION: Exhibits shall be constructed and arranged so that they do not obstruct the general view, interfere with the use or appearance of other exhibits, or impede access to aisles or other booths. Exhibitors desiring to use other than standard booth equipment, signs or products that may conflict with this requirement should submit to FPMA a detailed sketch of the proposed layout at least 60 days before the Trade Show and must receive written approval from FPMA via email confirmation.

6. INSTALLATION AND DISMANTLING: Exhibitor may not erect its exhibit after the exhibition opens or dismantle the exhibit before the official closing time. Exhibitor must deliver all booth materials to the Exhibition Hall and remove said materials by the specified deadlines. The exhibitor is responsible for the removal of boxes, crates, etc. from the exhibit area following installation and dismantling. Any materials not removed will be done so at the discretion of the Association and all applicable service charges will be applied to the exhibitor.

7. DRAYAGE: Advance shipments of exhibitor materials can be made to the official drayage company: GEMS. Additional shipping instructions will be provided by GEMS.

8. LABOR: Exhibitors shall employ accredited labor personnel for all work other than that properly handled by their own personnel. Labor can be arranged through the official decorator GEMS at established rates. Exhibitors using companies other than GEMS must advise them to check with the Exhibit Service Center upon their arrival. Copies of all job orders must be presented at that time. Upon certification, official service badges allowing access to the exhibit area during service hours only will be issued.

B. CANCELLATION

1. CANCELLATION of Sunshine EXPO: In the event any circumstances beyond the control of FPMA cause the Sunshine EXPO to be cancelled, booths will be rolled to the following calendar year.

2. CANCELLATION BY EXHIBITOR: Prior to May 1, 2023, Exhibitor may issue written notice to FPMA of Exhibitor's intent to cancel. Upon timely receiving Exhibitor's written notice, FPMA will refund all sums paid by Exhibitor, less a service charge of \$50.00 per booth. Cancellation on or after May 1, 2023, obligates the Exhibitor to full payment of booth rental(s), unless the space is resold by FPMA. If the space is resold by FPMA, Exhibitor will be entitled to a refund of all sums paid, less a service charge of \$100 per booth.

C. LIABILITY

INDEMNIFICATION: Exhibitor agrees to make no claim against FPMA its members or employees; Gaylord Palms Resort; or GEMS for: loss by theft, fire, accident, or destruction of goods while in storage or in exhibit; any action of any Association employees; failure to hold the meeting as scheduled; any injury to Exhibitor or Exhibitor's employees; or damages of any nature whatsoever. Such damages may include, but are not limited to, damage to Exhibitor's business by reason of the failure to provide space for the exhibit or the removal of the exhibit.

D. ADDITIONAL INFORMATION

GEMS will email Exhibitors an information and service kit. This kit will provide complete shipping instructions, production information and order forms for all services needed during installation, show period and removal from the exhibit hall. For general conference and tradeshow information please contact Joanna Wolff, Director of Operations and Events joanna@fpma.org
